A Commemoration of Yom HaShoah – HOLOCAUST REMEMBRANCE DAY

High school students will re-enact critical moments from the lives of local Holocaust survivors. Experience an evening you will long remember – the culmination of months of collaboration between the students and survivors, as mutual respect, friendship and trust have evolved.

Witness Theater was conceived by Irit and Ezra Dagan and developed by JDC-Eshel in Israel. It was brought to New York in 2012 by Selfhelp. This year's Witness Theater Program is a collaboration of Selfhelp Community Services, UJA-Federation of New York, Yeshivah of Flatbush Joel Braverman High School, SAR High School, JCC Manhattan, Ramaz Upper School and JCC of Mid-Westchester. In addition to UJA, it has also received generous support from the Jewish Communal Fund, The Neditot Fund, and the Claims Conference (Conference on Jewish Material Claims against Germany).
