Witness Theater was conceived by Irit and Ezra Dagan and developed by JDC-Eshel in Israel. It was brought to New York in 2012 by Selfhelp. This year's Witness Theater Program is a collaboration of Selfhelp, UJA-Federation of New York, Yeshivah of Flatbush Joel Braverman High School, the Marlene Meyerson JCC Manhattan and SAR High School and has also received generous support from the Jewish Communal Fund and the Conference on Jewish Material Claims against Germany (the Claims Conference).
