

Social Work Internship & Scholarship Programs

Accepting full-time and part-time BSW and MSW interns for in-person, hybrid, or virtual internships in NYC or Long Island!

Applicants will be accepted on a rolling basis, as positions are available. Under the supervision of a Seminar in Field Instruction (SIFI)-certified Social Worker, the Social Work Intern is responsible for providing support and assistance to clients in one of **7 program** areas:

- Case Management
- Community Guardian Program
- Selfhelp Active Services For Aging Model (SHASAM)
- Virtual Senior Center (VSC)
- Holocaust Survivor Program
- Older Adult Centers (OAC)
- Naturally Occurring Retirement Communities (NORC)

MSW interns are encouraged to apply to the **Selfhelp Scholarship Program!**

Selfhelp is training the next generation of social workers to serve New Yorker's older adults. We believe that individuals deserve to age with dignity and independence. Our unique approach is rooted in our longstanding work with Holocaust survivors, giving us the experience and understanding to meet every challenge. Because adults deserve to age with dignity and independence.
